April 4, 2016 Code Red Notification:

This is a message from the Village of North Utica.

It's an exciting time for us in the Village because today we will be embarking on the much anticipated 2016 Mill St. Beautification project in our downtown business district! The Contractor will be delivering materials and equipment today and work will begin at 7 am tomorrow morning.

All of the businesses that are located on Mill St. will remain open for their regular hours as usual throughout the entire project.

Regular updates on the project, along with a tentative weekly schedule can be found at the following locations:

It will be posted on the window at Country Village Studio located on the corner of Mill & Church St.

It will be posted at the Village Hall Office and on our website at www.utica-il.gov under 'Announcements - on the 2016 Mill St. Beautification Project'.

We encourage everyone and hope that you will continue to support our local Utica businesses as we work toward the completion of this exciting project!

Thank you !
